Elmira & District Curling Club

SPRING 2007 NEWSLETTER

Wow.... can you believe the end the curling season is now upon us. It's been an extremely busy and hopefully enjoyable year for everyone. The league curling championships are just finishing and I'd like to congratulate all the winners.

The latest extremely successful event hosted by our Club was the Provincial Colts/Trophy finals. Hopefully everyone got an opportunity to watch some very good curling and to cheer on a favorite team. I'd like to thank the Committee chaired by Sue Martin for their dedication and hard work in organizing this event. I heard nothing but good reviews from participants and observers in regards to the high quality and professionalism shown to details. This committee truly went above and beyond to make everyone feel welcome and made the experience of being at the Elmira and District Curling Club a truly memorable one.

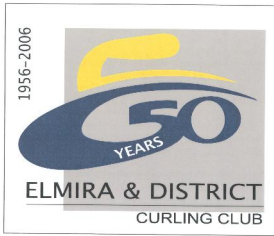

This season we saw excellent membership contribution in the daily running of the club from draw masters to committee members and chairpersons to kitchen and bar duties to the board members. This organization runs vastly on a huge membership participation structure and I'd like to thank everyone who assisted. There are currently 4 positions available on the board for next years curling season at the time of writing this. These positions include, Vice President, Assistant Treasurer, Golf Course Liaison and Special Events Coordinator. Please consider taking the time to contact myself in regards to these positions and becoming a part of building and guiding this organization.

In the next couple months there will be upgrades conducted to our building to improve the facility for future seasons of curling. More about this will be released at the closing Banquet on April 21st at the Curling club. The tickets for the banquet can be purchased from board members or by Contacting Wendy Anderson (Ph # 519-886-9555). Please come out and support your club for the final year-end party.

Its has been a good year of curling, good sportsmanship, and good friendship. I look forward to seeing you back again for the 2007 – 2008 season.
